Lotto Drawing Instructions for Trips

In order for all our members to have an equal chance to go on the trips we offer, the selection is done by a lotto drawing process. A lotto ticket is filled out by each member and given to a staff person prior to lotto day, which is listed on the calendar sent in the mail. On lotto day a separate drawing is done for each trip. The bus will hold 28 people therefore the first 28 names that are drawn are guaranteed a seat on the bus. If more than 28 have signed up for that trip, the remainder will go on a waiting list in the order they were drawn. After the lotto is completed, staff will post a list of trips with the members listed who were drawn for each trip including those drawn for the waiting list. Lotto tickets can be picked up anytime at the Senior Center.

Only trips that go on the bus need lotto slips filled out!

All others will be sign-up sheets and will be on the board the day after lotto.
